

## Mountain View Brew Challenge 2001 Results

The Mountain View Brew Challenge 2001 party on May 7 had approximately 35 attendees and 18 beers. 21 attendees identified themselves as homebrewers and several expressed interest in WOW. 27 ballots were cast. Not everybody voted in all categories. The favorite beer was Chuck Sherwood's Strong Bitter. Closely following in second place was Randy Fishel's S. V. Brown. Closely following in third place was Trevin Dabney's Carlin's Pale Ale. John Watson's Saison du John was the runaway winner in both the Wackiest and Most Interesting Categories. Scott Peterson's label and packaging efforts blew away the competition for labeling. We learned a lot about how to make this event better and plan to do it again. Any suggestions will be appreciated.
